Attn: Personnel Director

Dear Sirs:

My background and experience as a U.S. Security Defense Officer in Guam and other national defense installations - both domestic and overseas, are such that I am well qualified, as per the attached resume, for a job as security officer in the rehabilitation program on the Island.

I am very interested in such a position and would welcome a personal interview at Agana at my own expense. Or, in the event you have a State-side office, I would appreciate the opportunity of a personal interview in order that my application may be favorably considered.

I would appreciate hearing from you.

Very respectfully,

W. Frank Hammett
