RE: JACK RUBY
LEE OSWALD - CR

An individual called today giving his name as ^{V/US} ~~Krouse~~ and ^{INSE} ~~and~~ purporting to give information on Jack Ruby, killer of Lee Oswald, he stated he is in the Union, apparently the Teamsters Union. He is motivated by his affection and grief for the President. He relates that Ruby grew up on the West Side of Chicago; that there is a tie-in between Ruby in Dallas and ~~Days~~ ~~Paras~~ in Miami. This tie-in he alleges is through skylocking and girls. He also relates that Ruby grew up with Leon Patrick of Chicago.
