Reurlet 11-24-63 forwarding an enlargement of a copy of a photograph of subject Oswald holding a rifle and wearing a sidearm. Also forwarded with reflat was a video tape copy of the shooting of Oswald and a small black film box containing a short 16 mm black and white film of the above shooting. The small container had no markings of any kind and while it appears to have been taken by a newreel or television cameraman, with a 16 mm camera, the Bureau is unable to establish the source. As a further means of identification, all of the above were carried by the Captain on Braniff Airlines Flight #119 arriving at Washington, D. C., National Airport 7:30 p. m. 11-24-63.

The Bureau desires to maintain a record of the source of all film maintained in this matter. Accordingly, you should determine the source of the above described 16 mm film and immediately advise the Bureau.
