NOTE: Information available indicates Ruby entered basement Dallas PD via Main Street ramp guarded by Officer Vaughn. Vaughn positive Ruby did not enter Main Street ramp. Vaughn given polygraph test by Dallas PD and results do not reflect knowledge on part of Vaughn of how Ruby gained entrance. Ex-Officer Daniels was standing and talking with Officer Vaughn and noted on one occasion Officer Vaughn went to almost center of street to direct traffic for squad car departing basement at which time he, Daniels, acted as lookout. About 2 minutes before Daniels heard shot and while he and Vaughn were standing talking to each other, Daniels observed a man proceed down ramp directly past and to right of Officer Vaughn. Daniels' first impression was that this individual was probably carrying a gun, however, in view of fact Vaughn allowed him to enter, he did not give it serious thought. Daniels does not see how Officer Vaughn could have missed seeing this individual who walked by him down the ramp. Possibility exists Daniels may have allowed Ruby to enter basement. This point must be resolved. Daniels identified photo of Ruby as appearing similar to individual going down ramp.
