ROBERT B, O'BRIEN, 1600 Holcombe Blvd., Houston, Texas, advised that he has been employed for many years as a travelling salesman for the Vassarette Company of Chicago, manufacturers of brassieres and girdles. Mr. O'BRIKK said that he is acquainted with JACK RUBY of Dallas, Texas, in that he was introduced to him at his night club about two years ago by a friend who knew RUBY. He said that he probably would not recognize him if he would see him on the street and that he has had no personal dealings with him or knowledge of him or his acquaintances, whatsoever.

O'BRIEN was questioned concerning the telegram sent to RUBY, and he denied knowledge of such a telegram having been sent. He recalled that he had just returned to Houston on November 24, 1963, and had found that his wife had moved out of their apartment, desiring a separation. He said he was quite despondent and remembers that he became quite intoxicated over this weekend and could have sent such a telegram, while in a drunken condition.

Mr. O'BRIEN checked records of long distance calls from his telephone and found that he had made twelve (12) long distance calls on this day, which he said was most unusual for him and was further indication to him that he was drunk beyond normal competence.

O'BRIEN stated that he has a personal conviction that RUBY possibly did a service to the country by disposing of OSWALD, but he had not intended to make this feeling a matter or record. He denied knowing any of RUBY's friends and having any knowledge of his relationship with Dallas Police Officers.

Mrs. DOROTHY PIFITZER, Dersch Road, advised on Decemember 20, 1963, that she and her husband; TOM, sent a telegram to JACK RUBY, Dallas, Texas, immediately after they heard the news that he shot and killed LEE HARVEY OSWALD.

Mrs. PFIITZER advised that they did not know JACK RUBY and did not know the exact spelling of his name but their action in sending him a telegram was prompted by their upset condition after the assassination of President KENNEDY by OSWALD. She advised that they developed so much dislike for OSWALD that their first impulse after hearing that JACK RUBY shot and killed OSWALD was to send RUBY a telegram of congratulations.

Inasmuch as they did not know RUBY, Mrs. PFIITZER and her husband realized later that they acted in their confused condition.

Mr. WRIGHT said that on November 24, 1963, he and his wife were at their home watching the telecasts concerning the assassination of President JOHN FITZGERALD KENNEDY. They were watching television at the time JACK L. RUBY shot LEE HARVEY OSWALD. They continued watching and the more he thought about the matter the more he became convinced that he should send a telegram to RUBY. After some little time he went to the telephone, called Western Union in Eugene, Oregon, and dictated a message to the operator, charging the message to his home telephone, 746-1984 in Springfield, Oregon (a closed telephone number).

He sent the telegram to JACK RUBY, Dallas City Hall, Dallas, Texas, and he dictated one word "Congratulations." The telegram was signed by him as BOB WRIGHT.

After he had dictated the telegram the girl to whom he dictated it, identity not known, mentioned something to the effect that she was not sure whether or not a telegram of this type could be sent. He did not argue with her over the matter. He returned to watch television and the more he thought about the matter of the remark made by the Western Union Clerk, the better he felt over the fact that apparently the telegram was not going to be sent.

The next information he knew concerning the telegram was knowledge gained by him from his telephone bill that the telegram actually was transmitted. PD 44-225 WTL:Est 2

He remarked that he possessed no personal knowledge concerning JACK L. RUBY or LEE HARVEY OSWALD, and knows no information that they may have any connection with each other.

Mr. WRIGHT explained that although some time elapsed between the time he observed the sho^oting on the telecast and the time he sent the telegram, his action concerning the latter was a "spur of the moment act," and he has felt quite "foolish" about his action.

The following investigation was conducted by SAS JACK EVANS MEHL and RICHARD G. PETERSON on December 20, 1963:

Mr. VERN TOMPKINS, 206 Melody Lane, Akron, Ohio, advised that on November 24, 1963, he sent a telegram to JACK RUBY, C/O Dallas Police Department, Dallas, Texas, congratulating him on the assassination of LEE OSWALD. TOMPKINS stated he has never met RUBY or OSWALD nor has he ever belonged to any organization that these two individuals were affiliated with. He also stated he has no knowledge of any personal connection between RUBY and OSWALD and has no knowledge of their activities. TOMPKINS explained he was extremely upset by the news of President KENNEDY's assassination and did "quite a bit of drinking" over that weekend of November 22-25, 1963. He continued that on Sunday, November 24, 1963, the day he sent the telegram, he had been drinking again and when he received the news that RUBY had shot OSWALD he decided to send him a communication congratulating him.

Mr. JOSEPH CURRIER, 162¹/₂ E. York Street, Akron, Chio, advised that on November 24, 1963, he sent a telegram to JACK RUBY, C/O Dallas Police Department, Dallas, Texas, congratulating him on assassinating LEE OSWALD. He explained his main reason in sending this communication was to let RUBY know he (CURRIER) was glad OSWALD was dead because he was afraid if OSWALD's case went to trial "southern justice" would have set him free. He would not explain further what he meant by "southern justice." CURRIER said he does not personally know RUBY or OSWALD, has no knowledge of any connection between these two individuals and had never heard of them prior to the President's assassination. CURRIER also said he is not a member of any organization whatsoever.
