Dear Sir:

After much deliberation, and a sincere desire to do my duty as an American citizen, I would like to drop into one of your F. B. I. offices and add my little bit, to help ⁱⁿ solving the Ruby Rubenstein case.

I would like to have attorney Frederick George present at the time I come in, plus another attorney, and perhaps my wife.

Do I have to have an appointment, or do I just gather my people and come in. It is permissible to bring two attorneys I hope.
