Dear Sir:

I'm not sure <sup>EX-115</sup> but I believe  
Jack Ruby <sup>REC 8, 44-24516-949</sup> was in Washington  
in the night of <sup>JAN 16 1964</sup> ~~Jan 17~~ Feb 18, 1963  
in the Greyhound bus terminus  
in Dallas, Texas.

of what happened to Abraham Lincoln  
and if it was him, which in  
almost positive, he and a few  
others tried to knock me off  
in the terminal, and the  
International Detective agency  
was in on it.

There are ways to get the  
truth from Jack Ruby

yours truly  
Charles W Russell
