The attached teletype shows the results of an interview with District Attorney Henry Wade in Dallas in accordance with the request of Assistant Attorney General Jack Miller of the Department. Miller wanted to know just where Wade was handicapped because he did not have certain written statements in possession of the FBI and just what information Wade desired to have.

If the Director agrees, we will (1) Furnish Wade's reply to Miller immediately verbally and will confirm in writing; (2) Advise Mr. Rankin of the President's Commission of our contact with Wade and his response; (3) authorize Dallas to reply to Wade's letter as Dallas proposes to do on page 5.
