To the Investigating Committee  
Re: Assassination

A Reminder

The following reminder of a T. V. news report may prove important in the investigation of "Ruby."

It was before Oswald was shot.

It came over N. B. C. T. V.

A reporter in Dallas was reporting the following:

Ruby and a few men were overheard talking. Punishment for Oswald was being discussed.

One man was quoted as saying "Ruby can take care of that."

Ruby was quoted as answering, "I sure can."

This suggests to the writer of this note that Ruby had already "taken care" of someone, and those men knew it.

Thanks for listening
