Mr. J. E. Curry
Chief of Police

Sir:

I am a Sergeant in the Dallas Police Reserve.

I reported in uniform to the City Hall on Sunday, November 24, at about 9:15 A. M. for duty. I was assigned by Lt. Ben McCoy to a station on Commerce Street across from the City Hall. This was to keep the crowds back from the entrance of the City Jail when Lee Harvey Oswald was transferred to the County Jail.

About 11:25, I saw several officers running down Commerce Street to the entrance of the building. One of the crowd (a man) had a small radio, and I heard the announcer say that Lee Harvey Oswald had been shot. He did not say who. Just a few minutes later an ambulance came out of the basement and I saw a man on the cot inside.

1. I did not see the shooting or hear a shot due to being outside.
2. I do not know the suspect Jack Ruby.
3. I do not know Lee Harvey Oswald.
4. I did not hear any noise in the basement.
