RE: Shooting of Lee Harvey Oswald  
J. K. Ramsey

Mrs.

J. K. Ramsey was interviewed by Lieutenant J. G. Wallace and J. G. McCaghren at 4:20 p.m. on November 29, 1965. The interview was essentially the same as his original report dated November 27, 1965. The following was added by J. K. Ramsey:

I was stationed in the basement on the Commerce Street ramp near Detective Wagner. I have been shown a picture of Jack Ruby and to my knowledge I did not see him come down this Commerce Street ramp. I do not know this person and have never seen him in the basement of the City Hall. I saw him after Oswald was shot when I helped subdue him.

I assisted other officers in taking him to the jail office. I remained in the jail office and assisted loading Oswald into the ambulance.

I do not know how Jack Ruby got into the City Hall.

I have not been interviewed previously regarding this incident.

Respectfully submitted,

*J. G. Wallace*  
J. G. Wallace, Lieutenant  
Juvenile Bureau

*J. G. McCaghren*  
J. G. McCaghren, Lieutenant  
Burglary & Theft Bureau
