

November 27, 1963

Mr. J. E. Curry  
Chief of Police

Sir:

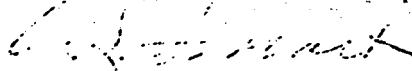

I should like to submit the following report regarding the incident occurring in the basement on November 24, 1963.

I was on the ramp when the truck was backed in to take the prisoner to the County Jail. I was accompanied by Chief Batchelor. The Deputy Sheriff opened the rear doors of the truck and a Mehi bottle fell out and broke. Chief Batchelor and I searched the truck completely, found one coke bottle, and planned seating arrangement in the truck.

We had just finished and I was still facing the truck and outside to see if all officers were in their place when I heard one shot. Immediately I looked around and saw a scuffle. I was not aware that the prisoner was being brought out at that time.

I immediately ran down to try to be of assistance. Several officers had Ruby down and were handcuffing him.

Respectfully submitted,

V. S. Smart  
Lieutenant  
Criminal Investigation Division
