Re: Shooting of Lee Harvey Oswald

Mr:

I had been available to Captain Fritz's office most of the morning of November 24, 1963. I was in this office shortly before 11:00am. Seeing that preparations were underway to move Oswald out of the building, I stepped across the hall to the Burglary and Theft Office and instructed the men who were standing by to report to the jail office two at a time. No one was instructed to assist in my car needed.

About 11:00am, the party in Captain Fritz's office started moving out. I was the first out of the office; walking to the hall door leading to the jail elevator. I unlocked this door and admitted Captain Fritz, Detective LaVelle, Graves, and Photogency, all the prisoner from 11. I was handcuffed to Detective LaVelle.

When the elevator was to go, I was the last, ready to enter the elevator. When we reached the basement, I was the first person off. About the time we got off the elevator, Captain Fritz was behind me, and he told me I would have to ride in the second car because we could only get five in the first car which contained the prisoner. He motioned for me to lead out. We went out the door on the east side of the jail desk.

When I walked out into the driveway, I found that press photographers and men were surrounding the area. Flood lights were focused on the location of the jail office. They were blinding. These lights were located at the northeast corner of the area of the main building from the jail office.

The vehicle used in the prisoner was to be loaded to get him to back into the open in front of the jail office where unescorted prisoners are usually handled. I immediately moved forward toward the east end on the south side of this crowd, moving the crowd of photographers in between backward. These people were blocking the vehicle's rear gate, being in between the vehicle and the prisoner. I had both arms out stretched and was able to contain these people in a fairly wide area. I was facing east with my back to the prisoner. To my left I could see that everything was clear nearly to the flood lights. There was about two officers to my left along the drive way. However, the other police were standing about three deep.

I glanced quickly to my right from my left noticing one of these people to move backward as the vehicle was also moving backwards. At this time I heard a gun discharge. With my arms out stretched, I wheeled to my left over my shoulder. I saw officers struggling with the person who had apparently shot Oswald, and other officers were moving Oswald back into the jail office.

Almost at the time the shot was fired, the news media and photographers plunged forward upon the scene. I immediately faced them backwards while the other officers were subduing the person who fired the shot. I was able to restrain these people until a doctor I held arrived. Some of the officers that I know came to my assistance very quick were Sgt. J. T. Dean, Detectives H. L. McGee, and I. F. Van Cleave. At the time the prisoner Oswald emerged from the jail office, the central area of the ramp was clear except for photographers and news media who were blocking the vehicle.

While I was leaving those persons blocking the ramp on my right and to the south, I faced toward the prisoner Oswald and saw two or possibly three news media to the left of Officer Graves, and slightly in front of him, they had microphones to portable recorders stuck up in front of Oswald and Graves. I know that Officer J. Harrison was several feet to my left in front of the TV lights, and to the best of my knowledge he was facing the lights just prior to the time the shot was fired. Along with several officers I continued to restrain the photographers and news media while the ambulance arrived and took the prisoner Oswald from the basement.

I remained in the basement until it was cleared. During this time, Officer Harrison told me that the person who fired the shot was Jack Ruby. I have known Jack Ruby since about 1948. I have not seen him since about 1948 or 1949.

I am sure the man Ruby did not pass between Officer Harrison and myself.

Respectfully submitted,

R. E. Smith, Lieutenant
Surgeon & Sheriff's Coroner
