Re: Shooting of Lee Harvey Oswald  
Interview of I. F. Van Cleave

Sirs:

I. F. Van Cleave was interviewed by Lieutenants I. S. McCaghren and C. C. Wallace at 8:30 am on December 2, 1963. The interview was essentially the same as his original report dated November 27, 1963. I. F. Van Cleave had this to add:

I do know Jack Ruby vaguely. He was a complainant several years ago on one of my briefs. If Ruby was in the crowd, I did not recognize him.

My position was inside the lobby, close leading into the ramp. I came down the elevator with several other detectives and two TV cameramen.

I was not in a position to see the shooting.

I have not been interviewed by the Federal Bureau of Investigation.

Respectfully submitted,

*I. S. McCaghren*  
I. S. McCaghren, Lieutenant  
Burglary & Theft Bureau

*C. C. Wallace*  
C. C. Wallace, Lieutenant  
Juvenile Bureau
