

SAC, Dallas (100-10461)

2/3/64

Director, FBI (105-32555)

44-24016-

LEE HARVEY OSWALD, aka
IS - P - CUBA

Reference Dallas letter to Bureau dated 2/2/64,
and Bureau telephone call to Dallas 2/2/64.

The following clothing of the subject was delivered
to the FBI Laboratory on 2/2/64, by SA Vincent E. Drain:

1. One pair of black shoes
2. One pair of black trousers
3. One gray flannel shirt
4. One T shirt
5. One black sweater
6. One pair of black socks

A small piece of white paper bearing the following
notations, which appear to be telephone numbers, was found
in the right side pocket of the above-listed trousers:

MAILED 20
FEB 3 - 1964
COMM-FBI

- "02 9-9450
- RI-8-9711
- AC-2-4611
- CO-7-3110
- CI-7"

The "CI-7" had been crossed through. All numbers
appeared to have been written with a ball-point pen with
the exception of the "RI-8-9711" which was written with a
pencil. The significance of these numbers is unknown to
the Laboratory.

The items of clothing listed above were examined
for visible and invisible laundry or dry cleaners markings
but none were found. All items appeared to be of domestic
manufacture with the exception of the shoes which were
manufactured in Japan.

The above-listed items were photographed and returned
to SA Vincent E. Drain on 2/2/64. Eight photographs of the
above are attached for your information.
