Dear Mr. Hoover:

In connection with the Commission's inquiry into a possible connection between the assassination of our late President, John F. Kennedy, and Jack L. Again in regard to Ruby's possible connection with the President's assassination, it would also further the efforts of the Commission if your Bureau would review available telephone toll call records for the period beginning September 26, 1963, the date on which our late President's trip to Dallas was made, public, and ending November 22, 1963, the date of his assassimation, for Phones: (1) listed in the name of or (2) known to be used by the members of the Ruby family.
