On March 6, 1964, Dr. Merbert Weltchek, 1140 Kipling Road, Elizabeth, New Jersey, advised that recently when he received mail from Dr. Ruhl, some of the envelopes contained various printed comments, one of which was a stamped notation "Let Freedom Ring! Each week call CR 3-0369, Code 201."

Following is a transcription of the recording obtained by dialing CR 3-0369; مراجع المحاج موالحا الإيترام والمكاف ومكتف والما

"Let freedom ring. We are told that Lee Oswald and Jack Ruby acted independently. They were just poor victims of an atmosphere of hate and in need of a montal health clinic. But before the Warren Commission completely obscures the facts, let's look at some interesting points: 2.4

"Fidel Castro threatened to break off relations with Mexico if Mexican authorities attempted to investigate Osvald's activities in their country.

"Also of interest is the fact that Congressman Hal Boggs, an extreme left winger who is on the Warren Investigating Committee, has an interesting communist front record. Just minutes after the assassination, Boggs, Walter Routher, and a red-wing black bird, Karl Varren, miraculously appeared on radio and TV and denounced the John Birch Society and other anticommunist groups, even though Oswald proudly announced that he was a communist.

"The American people will probably never know how the second much they ove to the Federal Bureau of Investigation. There are rumors afoot that the Warren Commission, which is a brazen usurpation of the investigative power of Congress, will attempt to turn the investigation into a smear of the Federal Bureau of Investigation and its director, J. Edgar Hoover.

"If you have not received the Let Freedom Ring assassination series - one of the first unhypocritical reports of the tragedy and the eye opening highly documented SPX research report, send one dollar to The Eye Opener, Box 645, Sarasota, Florida."
