On March 17, 1964, Mr. Howard Willens, President's Commission, by telephone referred to the letter from the Commission dated March 12, 1964, wherein requests were made for considerably detailed photographs, a plat of the area where Officer Tippit was killed and other items. It is noted Mr. Gauthier and additional personnel went to Dallas on March 16 to prepare the requested material. Mr. Willens stated that the Commission had requested that this material be available by April 1, 1964. He stated that in view of a rescheduling of Commission hearings, he desired to know whether it would be possible to have the requested material prior to April 1. As alternate dates for the hearings he mentioned March 26 and March 30.

The work being handled with reference to the Commission's request was discussed with Mr. Gauthier in Dallas and he advised that in view of the progress which has now been made on this project, it would be completed and could be delivered to the Commission for use on March 30, 1964. Mr. Gauthier understands that the Commission desires to use the material on March 30 and it will therefore have to be delivered prior to that date.

After checking with Mr. Gauthier, Mr. Willens was advised that the material would be available to the Commission in sufficient time for the Commission to make use of it on March 30.
