In connection with Glenn T. Carthron, Jr, and his allegation that a "Voice from God" said that James Riddle Hoffa "triggered" the assassination of President Kennedy, WFO is instructed to verbally furnish complete background details concerning Carthron, including his arrest and possession of a weapon to the Metropolitan Police Department in view of the fact that Carthron may take some positive action against Hoffa.

For your additional information, on March 25, 1964, Mr. Robert Cleary was interviewed at which time he informed Agents of WFO he was acquainted with Mr. Glenn T. Carthron, Jr., At a luncheon Carthron alleged James Biddle Hoffa "friggered" the assassination of President John F. Kennedy by obtaining \$1,500,000 from the Teamsters Pension Fund and paid it to Jack Leon Ruby, who inturn obtained the services of Lee Harvey Oswald to carry out the assassination. Carthron has claimed that while he was residing in a hotel room in Philadelphia, Pennsylvania, a "voice" spoke to him say The Hoffa triggered the assassination." (Enclosures (2)] (Autoit)

In Mr. Cleary's interview he commented that Carthron was possibly in the same category as a person like Jack Ruby, who would take the law into his own hands to revenge the President's assassination; contending Hoffa bears the responsibility for it.
