My Dear Sir:

May I congratulate you on your article appearing in most all newspapers. I was one of the many thousands who on television who saw the fatal shooting of President Kennedy. Yet only about a year ago Robert Kennedy told a group that only Oswald was involved. How silly can a person be.

Enclosed is a clipping "BIG CHANGES IN JUBY AFTER YEAR IN JAIL".

Dear Mr. Hoover, it seems to me that the House or the Senate should introduce a new law requiring that the real name of an adult criminal should be published. Ie: in this case Jack Rubinstin. As I look back over the many years, in each case the killers were Jews. The Goldberg case (husband and wife. The Harding case. The killer was Corolgosk, trained by a woman and Murr associates in Chicago, Illinois.

You will recall the Hiss case. Former Vice President, but at that time a member of Congress, state that we had spies in our State Department. Nixon was criticised, but later Alger Hiss was convicted.

Again I congratulate you, keep up your good work.
