SUBJECT: JACK L. RUBY aka;
LEE HARVEY OSWALD aka - VICTIM
CR

OO - DALLAS

ReBuairtel dated 12/10/64, and El Paso airtel dated 12/23/64, concerned with the letter of Mrs. ROBERT A. WILLIS, Van Horn, Texas, and her allegation that an individual was in her place of business sometime in February, 1964, and claimed to have done electronic repair work for RUBY and thereafter obtained a receipt signed by both RUBY and OSWALD. The individual is said to have further alleged he turned this receipt over to an FBI Agent in Dallas.

Review of exhibits in Dallas file disclosed no such receipt and personnel thoroughly familiar with the RUBY file have no recollection of any such receipt which would, of course, have been highly significant.

Pages 797-807 of report of SA MANNING C. CLEMENTS dated 11/30/63, at Dallas, are concerned with interviews of ROBERT KERMIT PATTERSON, self-admitted homosexual, DONALD C. STUART, and CHARLES ARNDT, employees of Contract Electronics, 2533 Elm Street, Dallas, and the appearance at this place of business of RUBY in company with an individual whom PATTERSON believed was OSWALD. Discussion was had concerning repairs to microphone equipment at the Carousel Club and work performed by PATTERSON in this connection, for which he stated he was paid in cash at the Carousel Club when he delivered the equipment.

The individual accompanying RUBY has been conclusively established to have been CURTIS LA VERNE CRAFARD, employed briefly as a handyman at the Carousel Club during the pertinent period. Proof was established by CRAFARD's independent statement in this connection and handwriting examination.

It is noted in the second interview with PATTERSON, he gave a story concerning conversations he allegedly overheard concerning RUBY-OSWALD connection, which were not substantiated.

If, in fact, Mrs. WILLIS has truthfully reported the circumstances concerning the unidentified person who appeared in her store, it appears the individual may have been PATTERSON, STUART, or ARNDT. It does not appear any further investigation is warranted.
