The Dallas County Sheriff's Office has been furnishing copies of communications received by JACK L. RUBY at the Dallas County Jail. The Sheriff's Office has advised that copies of such communication are likewise furnished to Secret Service.

Attached are two reproduced copies for the Bureau and one reproduced copy for El Paso of a communication which came into possession of the Dallas Office on 1/28/64, the contents of which are self-explanatory. In view of the threat to President JOHNSON, Special Agent W. H. PATTERSON, Secret Service, Dallas, was advised of the contents of this communication at 4:35 PM, 1/28/64, by Special Agent MANNING C. CLEMENTS. A letterhead memorandum is likewise being furnished to Secret Service since Special Agent PATTERSON indicated his office had not as yet received a copy of the anonymous communication from the Sheriff's Office.

The FBI Laboratory is requested to search the handwriting of the attached through the Anonymous Letter file and furnish the results to Dallas and El Paso. The attachment may be retained for possibly future examinations in the Anonymous Letter file.

El Paso Office is requested to examine anonymous correspondence in its file which may be identified with "nut complaints" in effort to identify the writer.
