Re: Weisberg
Civil No. 16392

Dear Judge Thomsen:

I enclose herewith your notes from our conference Tuesday, December 12, 1972. I have kept a copy and will send a copy to Mr. Davis with a copy of this letter.

After we left your chambers, Mr. Davis and I met with Mr. Beall to discuss the case. Mr. Beall indicated that he would assign a new assistant to the case and notify me promptly of his identity. As soon as I am so informed, I will schedule a meeting with him to prepare the schedule you requested.

Very truly yours,

Harvey R. Clapp, III

the chances of finding one.*
