### Mrs. Oswald Raps Report on Marina

Mrs. Marguerita Oswald, mother of accused assassin Lee Harvey Oswald, says she does not believe a report that her son's wife is convinced of his guilt. She also demanded to know the whereabouts of her daughter-in-law, Russian-born Marina Oswald.

"I don't believe this statement came from Marina," Mrs. Oswald said in Ft. Worth. "If she did make such a statement, she made it out of confusion or under the influence of someone else."

James H. Martin, a motel owner described as the younger Mrs. Oswald's business adviser, claimed yesterday that she had no desire to sue the City of Dallas over her husband's death because she is convinced that Oswald killed President Kennedy.
