No Eye Witness Is Being Held

DALLAS, Feb. 10 (UPI)—Dallas police today joined the Department of Justice in denying a report that authorities were holding an eyewitness to the

assassination of President Kennedy.

The Ft. Worth Star-Telegram had said in a copyright story that a Negro janitor who worked at the Texas schoolbook depository saw Lee Harvey Oswald fire from a window of the building.

Depository superintendent R. S. Truly said "there is no indication that any employe of the depository is under protective custody."
