

Andrews Gets 18 Months in 'Plot' Probe^{A2}

NEW ORLEANS (AP)—Dean Andrews has been sentenced to 18 months in prison for perjury before the grand jury probing the assassination of President John F. Kennedy, despite his attorneys' pleas that he is in no condition to go to jail.

Criminal District Judge Frank J. Shea sentenced Andrews yesterday to concurrent 18-month terms on each of three perjury counts and released him on \$2,500 bond pending appeal of the conviction.

Sentencing was delayed while defense attorney Harry Burglass questioned the physician at Parish Prison, where Andrews has been confined since his conviction Monday, about Andrews' physical condition.

Ailments Cited

The doctor told the court the 260-pound Andrews is subject to three medical conditions: accumulation of fluids in body tissue, a bacterial blood infection and a slowing down or decomposition of the heart.

Andrews, a lawyer, was convicted on charges he lied to the grand jury when he said he could not identify "Clay Bertrand," a mysterious figure in Dist. Atty. Jim Garrison's probe of the Kennedy assassination.

Andrews told the Warren Commission he received a telephone call from "Clay Bertrand" after the assassination of President Kennedy in Dallas on Nov. 22, 1963, asking him to represent Lee Harvey Oswald.

Garrison contends New Orleans businessman Clay Shaw used the alias Bertrand in conspiring to murder Kennedy.
