REPORT
of theFEDERAL BUREAU OF INVESTIGATION
WASHINGTON, D. C.To: **FBI, Phoenix.**Date: **March 18, 1964**
FBI File No. **105-82555**
Lab. No. **D-444880 AX**Re: **ASSASSINATION OF
JOHN FITZGERALD KENNEDY,
DALLAS, TEXAS, 11/22/63
MISCELLANEOUS - INFORMATION CONCERNING**Specimens received **3/12/64**

Q496 One \$5.00 Federal Reserve Note, SN L 21781599 bearing penciled handwritten and hand printed notations on front and back

Result of examination:

Specimen Q496 was not identified in the Anonymous Letter File. A photograph of this exhibit will be added to this file.

The text of the message written on the face of the bill is as follows: On the left side of the bill is the wording "Johnson for Pres. Kill Kennedy at Dallas." The "J" in the name "Johnson" is a printed letter on the bill itself. To the right side of the printed "J" is the printed number "12" and immediately following the number "12" is the handwritten word "shots." In the lower left corner of the bill beneath the printed "12" is the word "o'clock."

Around the portrait of Lincoln in the center of the bill is the wording "Use a British Rifle Shoot at Dallas Texas."

On the right side of the bill is the wording "Shoot twice to be sure."

On the back of the bill is the wording "shoot between the eyes in parade. Kill Kennedy dead."

It was concluded that LEE HARVEY OSWALD, whose known writings are available in the Laboratory did not prepare the writings on Q496. No known specimens of JACK RUBY are available for comparison purposes.

Q496 is retained.
