For full details see Rosen to Belmont memo, dated 2/19/64, captioned, "Assassination of President John F. Kennedy, 11/22/63, Dallas, Texas," RDR:mlt.

Briefly, this matter concerns the receipt of an anonymous letter at the Bureau, postmarked in Paris, France, in the above language which, when translated, apparently was intended for Chief Justice Warren. The translated letter implicated one Charles Watkins in the assassination and also accused him of being associated with Cuban communists. This material was furnished to the Commission and it was indicated because of the allegations we were checking it out. Based on investigation by our Jacksonville and New York Offices it was ascertained that the subject of the anonymous letter was Charles Leggett Watkins of New York City. It appears Watkins' wife, Margaret, has a brother, Stephen Belic, who resides in Paris, France, and whom she had been supporting. When this support stopped approximately two years ago he sent many threatening letters to them. According to Mrs. Watkins, her brother never works, has been in and out of jail in Europe on six occasions, and she has no doubt it was he who sent the anonymous letter. This concludes our inquiries and results being furnished the Commission as promised.
