D-251 Hard-cover journal bearing hand printed title on first page
"DIARY OF IMPRESSIONS & OBSERVATIONS OF ERIC RITKEK BERGAN

Result of examination:

D-251 was not identified with any of the material contained
in the Anonymous Letter File. Appropriate photographs of this
exhibit will be added to this file.

It was not possible to determine if **D-251** was all written
at or about the same time. It was noted that at least two different
ball-point pen inks were used. One blue ink was used from the
beginning up to 1/3/64, and a second blue-black ink for the remainder
of the journal.

D-251 is retained.
