**ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY,
11/22/63, DALLAS, TEXAS
MISCELLANEOUS - INFORMATION CONCERNING**

On 7/30/64, the evidence listed below was received in the Laboratory.

Q606 Airmail envelope postmarked "HUDDERSFIELD YORKSHIRE 11 30 AM 20 JULY 1964," bearing handwritten address (D-232) "MR. J. E. Hover. c/o. New York. F B. I. N. Y. City." and accompanying one-page hand printed and handwritten letter dated 19 July 64, beginning "Mr. J. Edgar Hover. Sir as a..." and ending on reverse side "...P.S. THIS. IS. NOT. A. JOKE"

The handwriting on Q606 was not identified in the Anonymous Letter File. A photograph of this handwriting will be added to this file for future reference.

The envelope contained in Q606 contains the brand name "FAKE AIRBORNE NEWTON HILL LTD ENGLAND." The letter in Q606 does not contain any watermark or other significant features to indicate the source of this paper.

The word "Blud" in paragraph 2 of the letter comes very close to the spelling of the German word "Blut (blood) which ends in the hard consonant "t." When pronouncing this word, many people pronounce it "Blud," particularly in Saxony and Southern parts of Germany.

The "T" (T) appears in Spanish, German and English writings. The writer used this "T" in "Think" in paragraph 3, in "Texas" in paragraph 4.

**Memorandum to Mr. Conrad
Assassination of President John Fitzgerald Kennedy
62-109060**

The "x" in "Texas" in paragraph 4 and "texas" in paragraph 5 resembles the handwritten Russian "x" and the handwritten German capital "X."

It is impossible from the material available to suggest the particular nationality of the writer.

Q006 is retained in the Laboratory. Five photographs of this exhibit are attached.

ACTION: That this memorandum and enclosures be forwarded to the General Investigative Division for the attention of Supervisor R. D. Rogge.
