I am employed as a wrapper and order-filler at the Texas School Book Depository Building, and was so employed on November 22, 1963. When President John F. I was accompanied by Edward Shields of 416 Cleve Street, Dallas, an employee of the Texas School Book Depository Building, and a man I know only as 'James' who was employed at the Classified Parking Lot on the corner of Record and Elm Streets. I do not know James' home address but I believe he is still employed by Classified in one of their downtown lots.

"I, Billy Nolan Lovelady, freely furnish the following statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a Caucasian male and reside at 7722 Hume Drive, apartment C, Dallas, Texas. I was born on February 19, 1937, in Myrtle Springs, Texas.

"At approximately 12:15 PM, November 22, 1963, I walked out the front entrance to the Texas School Book Depository where I am employed as a stock clerk on the first floor. I have been so employed since December 16, 1961. I walked out in front of the building to await the Presidential Motorcade which I knew was due to pass the Depository building about 12:30 PM.

"At the time the Presidential Motorcade passed the Depository building heading west of Elm Street, I was standing on the top step to the far right against the wall of the entranceway to the Texas School Book Depository building. At this time I recall that William H. Shelley, who resides at 128 South Tatum, Dallas, and Mrs. Sarah Stanton, also of Dallas, Texas, both of whom are likewise employed by the Texas School Book Depository, were standing next to me.

"I recall that following the passing of the Presidential Motorcade, as the car in which the President was riding traveled down the Elm street extension, I heard several loud reports which I first thought to be firecrackers and which appeared to me to be in the direction of Elm Street viaduct just ahead of the Motorcade. I did not at any time believe the shots had come from the Texas School Book Depository building. I am acquainted with Lee Harvey Oswald as a fellow employee only and I recall that on the morning of November 22, 1963, I was on the sixth floor of the Texas School Book Depository putting down a new wooden floor when Oswald came over to me and asked where a certain book was stored. I don't recall name of book but told him that book was out of stock. That is the last time I saw Oswald prior to the assassination of President John F. Kennedy.

"When President John F. Kennedy was shot I was standing in front of Mullendore's Cafeteria, 601 Main Street, watching the President's motorcade. Standing there with me were Charles Givens, 4208 First Avenue, Dallas, an employee of the Texas School Book Depository Building, and James Lacy, an attendant at the Classified Parking lot on Main and Record Streets. "I, Joyce Maurine Stansbery, freely furnish the following statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a female caucasian, born November 14, 1920, in Little Rock, Arkansas. I presently reside at 4344 Potomac Avenue, Dallas, Texas, and am employed as assistant purchasing agent for Dahlgren Manufacturing Company, 2451 Stemmons Freeway, Dallas.

"During November, 1963, I was employed for American Book Company having offices on the third floor of the Texas School Book Depository, 411 Elm Street, Dallas.

"On November 22, 1963, I recall I left the Depository building at approximately 12:15 PM and took up a position on the curbside on the north side of Elm Street leading into the triple viaduct about thirty feet west of the corner. I recall that I left my office alone to view the Presidential Motorcade and although I know there were other employees of the Depository building nearby, I am unable to specifically recall who was at my elbow.

"I don't recall having ever observed Lee Harvey Oswald in the Texas School Book Depository nor can I recall a stranger in the building on the morning of November 22, 1963.

"Following the shooting of President John F. Kennedy, I returned to the Depository building and remained in the building until approximately 2:00 PM to 2:30 PM when I left the building as officers were clearing the building.

"I did not return to the building on November 22, 1963.

"I am of the Caucasian race, fifty-six years of age and reside at 4932 Jade Drive, Dallas, Tex. I am employed as Superintendent of the Texas School Book Depository, 411 Elm St., Dallas, Texas.

"On November 22, 1963 I left my office with Mr. O. B. Campbell, Vice President, Texas School Book Depository, residence address, 7120 Twin Tree St., Dallas, Texas about 12:10 P.M. for lunch. On leaving the building entrance, I noticed a large crowd of people standing along the street and decided then to wait and watch the President's Motorcade pass which was to pass on Elm Street in front of the building.

"At the time President John F. Kennedy was shot I was standing with Mr. Campbell in the street just in front of the building entrance. I heard three shots fired and moments later I accompanied a uniformed officer from the Dallas Police Dept. to the second floor of the building. This officer looked in the lunch room located in the back part of the building about 20 or 30 feet from the stairway. Just inside the lunch room door, Lee Harvey Oswald was standing facing the officer. I identified Oswald as an employee and the officer and I then proceeded on to the roof of the building. We made a quick examination of the roof area and then I returned to the first floor ~~area~~ and started to account for the location of each of my employees. I was not able to locate Oswald. I did not see Oswald outside the building at the time President Kennedy was shot. I recall seeing Oswald about 8 A.M. when I came to work. He was going about his work of filling orders at that time. I did not see him, as I recall, any more until the moment I saw him in the lunch room.

"I, Ochus Virgil Campbell, freely furnish the following voluntary statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a Caucasian male and reside at 7120 Twin Tree Lane, Dallas, Texas. I was born on November 26, 1908, Ada, Oklahoma. I am the Vice President of the Texas School Book Depository, 411 Elm Street, Dallas, Texas. My office is on the second floor.

"At approximately 12:15 pm on November 22, 1963 I left the Texas School Book Depository building en route to a luncheon engagement in company with Roy S. Truly, Director of Warehouse Personnel at Texas School Book Depository. As Mr. Truly and myself left the building we observed throngs of people lining both sides of Elm Street and recalled the presidential motorcade was scheduled to pass by the building in a few minutes. Mr. Truly and I decided to view the motorcade and took up a position next to the curb on Elm street adjacent to the street signal light. I recall that at the time of the assassination of President John F. Kennedy, Texas School Book Depository employees, Mrs. Bonnie Richey, Mrs. Carolyn Arnold and Mrs. Jeraldean Reid were standing at my elbow and likewise witnessed the assassination.

"I recall that shortly after the car in which the President was riding passed the Texas School Book Depository building I heard shots being fired from a point which I thought was near the railroad tracks located over the viaduct on Elm Street. I definitely did not see Lee Harvey Oswald at that time and in fact had no occasion to look back at the Texas School Book Depository building as I thought the shots had come from the west. I have had occasion to view photographs of Lee Harvey Oswald and to the best of my recollection never saw him while he was employed by the Texas School Book Depository. Also, according to my recollection, I did not observe any strangers in the Texas School Book Depository building on the morning of November 22, 1963.

"I, Victoria Elizabeth Adams, freely make the following voluntary statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a Caucasian female, born February 8, 1941 at San Francisco, California and I presently reside at 4906 Wenonah, Dallas, Texas. I am employed as an Office Service Representative by Scott, Foresman and Company, Room 401, Texas School Book Depository Building, 411 Elm Street, Dallas, Texas and was so employed on November 22, 1963, the day President John F. Kennedy was assassinated.

"On November 22, 1963 at about 12:20 P.M. I was in my office and I went to the sixth window from the left to watch the Presidential Motorcade. Also viewing the parade with me were Elsie Dorman, Sandra Styles and Dorothy Garner, all employees of the Scott, Foresman and Company. I recall that at about 12:30 PM, just after the car carrying President Kennedy had passed on the street below, I heard three loud reports which I first thought were firecrackers. But, when I saw all of the confusion on the street below I knew they must have been shots. After the third shot I observed the car carrying President Kennedy speed away. Sandra Styles and I then ran out of the building via the stairs and went in the direction of the railroad where we had observed other people running. We had not gone far when a Police officer stopped us and instructed us to return to the building, which we did.

"I never knew Lee Harvey Oswald, but I believe I did see him on one occasion in the Depository Building about two weeks before President Kennedy's assassination. I did not see him on the day President Kennedy was assassinated, nor did I observe any strangers in the Texas School Book Depository Building on the morning of November 22, 1963.

"I believe I left the Texas School Book Depository Building between 2:00 PM and 2:30 PM on November 22, 1963 and I went home.

"I, Danny Garcia Arce, make the following statement to Thomas T. Trettis, Jr., who has identified himself as a Special Agent of the Federal Bureau of Investigation.

"I presently reside at 1502 Bennett Avenue, Dallas, Texas. I was born on September 14, 1945, in Dallas, Texas. I am a member of the white race. At present I am employed as an order filler at the Texas School Book Depository Building and was so employed on 11-22-63. When President John F. Kennedy was shot I was standing on the grassy area directly in front of the Depository Building approximately thirty feet from the President's car. However, I could not see the President's car when the shots rang out. To the best of my knowledge there were three shots and they came from the direction of the railroad tracks near the parking lot at the west end of the Depository Building. I was alone when the shots were fired and I did not see Lee Harvey Oswald at that time.

"On the morning of 11-22-63 about forty-five minutes before the arrival of the President's Motorcade I met an elderly white man at the entrance of the building who asked me to direct him to a rest room. I helped this man up the steps of the Depository Building and showed him a public rest room. The man was very old and feeble and could hardly make it up the steps. About five minutes later I saw this man leave the building and enter an old Buick automobile with three elderly white women. The Buick then drove north on the service street in front of the Texas School Book Depository Building, made a right turn on Elm Street, and drove west through the underpass. I would describe this man as a white male, approximately 80 years old, white hair, and wearing a brown suit and light colored western-style hat. He had a thin build and was about five feet nine inches in height. I never saw this man before 11-22-63 and have never seen him since that day.

"After the President was shot I entered the Texas School Book Depository Building and we were questioned by some Dallas police officers. At about one o'clock in the afternoon

Kennedy was assassinated on November 22, 1963.

"At approximately 11:30 AM on November 22, 1963 I left the Texas School Book Depository Building and went shopping at Sanger-Harris Department Store returning to the front of the building at approximately 12:15 PM to view the Presidential Motorcade. I took up a position along the parade route on Elm Street about seven feet west of Houston Street and viewed the Motorcade in company with Lucy Whitaker, also an employee of the MacMillan Company in the Texas School Book Depository Building.

"I recall that when the car in which the President was riding passed my position I was looking at Mrs. Kennedy who was looking to the other side of the car. President Kennedy was looking in my direction and I waved. A few seconds following this I heard a shot and following this shot two additional shots. I thought the shots had come from right over my head, but I looked up and did not see anyone shooting. Along with others in the crowd, I moved in the direction of the President's car but turned and returned inside the Texas School Book Depository Building.

"I believe I may have seen Lee Harvey Oswald at sometime in the Texas School Book Depository Building, but I did not see him on November 22, 1963 nor did I see any strangers in the building on that day.

"I left my office at about 2:00 P.M. on November 22, 1963, went downstairs and after being checked out by the police, I left the building at about 2:15 P.M.

"On November 22, 1963 I, along with Harold 'Hank' Norman and James Earl Jarman, Jr., both of whom are also employed by the Texas School Book Depository, were on the fifth floor of the Depository Building looking out the windows waiting for the presidential motorcade. We were at the windows which are located at about the center of the building on the south side. As the presidential motorcade passed by the building on Elm Street below I heard three shots which sounded like they came from directly above me. At first I thought the noises I heard were firecrackers. I looked up when little pieces of cement hit me on the head, but I saw no one. I did not know that President John F. Kennedy had been shot. When I saw all of the confusion on the street below I ran to the west end of the building to get a better view. Hank and Junior who were on the floor with me also ran to the west end of the building. While we were standing at the west end of the building on the fifth floor, a police officer came up on the elevator and looked all around the fifth floor and left the floor. I did not see anyone come down from the sixth floor via the stairs.

"The last time I saw Lee Harvey Oswald on November 22, 1963 was at about 11:40 am. At

"On the morning of 11-22-63 I arrived at the Lyons and Carnahan Office at approximately 8:15 AM. I left the Depository building about 12:15 that day for my lunch break. At no time during that morning did I see anyone in the Texas School Book Depository Building who was a stranger to me. When President John F. Kennedy was shot I was shopping on Elm Street and was walking between the Moses and Kress Stores when I heard a pedestrian remark that the President had been shot. I was alone at the time and did not see Lee Harvey Oswald. I cannot say for sure if I have ever seen Lee Harvey Oswald at the Texas School Book Depository Building at any time.

"I returned to the Depository building about one o'clock on 11-22-63 and the police told me I could not enter the building. The police checked my identification outside the building and about an hour later I left for home.

I was accompanied by Betty Dragoo, Carolyn Arnold, Judy Johnson and Bonnie Richey all of whom are likewise employed by the Texas School Book Depository. I and the above mentioned girls then stationed ourselves on the edge of the pedestrian parade line at a point approximately thirty feet directly in front of the main entrance to the Depository Building.

"I recall that moments after the Presidential car passed I heard three loud reports which I first thought to be a prankster throwing firecrackers. As soon as we realized shots had been fired at President John F. Kennedy we ran in the direction of the Presidential car, which I estimate to be about fifty yards from where we were standing, but when we got there the Motorcade had already driven away. We stood there for several minutes trying to find out what happened and then returned to the Depository Building entrance. We were told by another building employee that if we went in the building we would not be able to get out again so I did not re-enter the building at that time.

"I, Mrs. Robert E. (Pauline) Sanders, Sr., freely furnish the following statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a Caucasian female employed as a clerk-accountant at the Texas School Book Depository, 411 Elm Street, Dallas, Texas. I have been so employed for the past 6½ years. I reside at 4226 Delmar Street, Dallas, Texas, and was born November 6, 1908, Moran, Kansas.

"At approximately 12:20 PM on November 22, 1964, I left the lunchroom on the second floor of the building and went out the front entrance to await the arrival of the Presidential Motorcade which I knew was due to pass the Depository building at about 12:30 PM. I took up a position at the top of the front steps of the Depository building facing Elm Street. To the best of my recollection I was standing on the top step at the east end of the entrance.

"I recall that while standing there I noticed Mrs. Sarah Stanton standing next to me, but I am unsure as to the others. Mrs. Stanton is likewise an employee of the Texas School Book Depository.

"To the best of my recollection I did not see Lee Harvey Oswald at any time on November 22, 1963, and although I knew him by sight as an employee of the building I did not know him by name and had never spoken to him at any time.

"I do not recall seeing any strangers in the Texas School Book Depository building at any time on the morning of November 22, 1963.

"After the motorcade car carrying President John F. Kennedy passed, I remained a moment on the steps, then walked out to the concrete island in front of the Depository building to see what had happened. I remained there a moment and then returned to the Depository building through the main entrance. I then walked to the second floor where I usually work.

Washington, D. C.

Dear Mr. Hoover:

We have been informed by Mr. Sebastian F. Latona that the cartons found near the sixth floor window of the TSED building at which the assassin apparently stood, bore nineteen identifiable latent fingerprints and six identifiable latent palmprints, in addition to the prints of Oswald. Could you please determine, as far as may be possible without the taking of new fingerprints, whether any of these latent prints were made by persons employed in the TSED building on November 22, 1963.

We would appreciate it if you could furnish us with this information by March 31, 1964.

**PRESIDENT'S COMMISSION**

The President's Commission by letter dated 3-26-64, requested we determine, if possible without taking new fingerprints, if certain identifiable fingerprints and palm prints which appeared on cartons near where the assassin stood in the Texas School Book Depository (TSBD) building can be identified with persons employed in the TSBD building on 11-22-63. The Commission desires this information by 3-31-64.

A check was made with SA R. D. Rogge and other personnel in the General Investigative Division familiar with this case, as well as Sebastian Latona and other personnel in the Identification Division, as to whether elimination prints had been taken and/or received on these TSBD building employees with negative results.

SA Kenneth Howe, Dallas Office, was telephonically contacted at 10:15 p.m., this date, by Extra-Duty Supervisor E. J. McDonough and advised of the Commission's request. SA Howe advised that he did not believe such elimination prints had been taken by the Dallas Office but appropriate check would be made with the Dallas Police Department and any other agency which may have taken such prints. If such prints are not available, SA Howe was instructed to furnish adequate identifying data on the appropriate TSBD building employees in order that the Identification Division could make a check of its files on the basis of this descriptive data in order to possibly locate prior fingerprint cards on these individuals for comparison purposes.

SA Howe was advised that the Bureau is already in possession of 70 signed statements taken from such employees, and in the event necessary identifying data on these persons is contained in their respective statements, it would not be necessary to reiterate this information but the Bureau should

be advised of those on whom this data has already been submitted.

It was impressed upon SA Howe that no investigation should be conducted to develop further background data on these persons and absolutely no efforts should be made to independently obtain new fingerprint impressions from them.

ACTION:

Upon receipt of the necessary material, the Identification Division will handle the Commission's request in this matter.

I do not recall who was standing at either side of me but I do know that Mrs. Robert E. Sanders, also an employee of the Texas School Book Depository, viewed the motorcade.

"Just after the Presidential car passed the building and went out of sight over the Elm Street embankment I heard three loud blasts. I thought these blasts or shots came from the direction of the viaduct which crosses Elm Street. I did not then know that President John F. Kennedy had been shot. I remained momentarily on the steps and then returned inside the building.

"I do not recall seeing Lee Harvey Oswald on November 22, 1963. I may have seen him at sometime in the Texas School Book Depository Building, but I cannot specifically recall any exact day this might have been. Also I do not recall seeing any strangers in the Texas School Book Depository on the morning of the day President Kennedy was assassinated.

"On November 22, 1963 at about 12:20 P.M. I was in my office and I went to the sixth window from the left to watch the Presidential Motorcade. Also viewing the parade with me were Elsie Dorman, Sandra Styles and Dorothy Garner, all employees of the Scott, Foresman and Company. I recall that at about 12:30 PM, just after the car carrying President Kennedy had passed on the street below, I heard three loud reports which I first thought were firecrackers. But, when I saw all of the confusion on the street below I knew they must have been shots. After the third shot I observed the car carrying President Kennedy speed away. Sandra Styles and I then ran out of the building via the stairs and went in the direction of the railroad where we had observed other people running. We had not gone far when a Police officer stopped us and instructed us to return to the building, which we did.

"I never knew Lee Harvey Oswald, but I believe I did see him on one occasion in the Depository Building about two weeks before President Kennedy's assassination. I did not see him on the day President Kennedy was assassinated, nor did I observe any strangers in the Texas School Book Depository Building on the morning of November 22, 1963.

"I, Danny Garcia Arce, make the following statement to Thomas T. Trettis, Jr., who has identified himself as a Special Agent of the Federal Bureau of Investigation.

"I presently reside at 1502 Bennett Avenue, Dallas, Texas. I was born on September 14, 1945, in Dallas, Texas. I am a member of the white race. At present I am employed as an order filler at the Texas School Book Depository Building and was so employed on 11-22-63. When President John F. Kennedy was shot I was standing on the grassy area directly in front of the Depository Building approximately thirty feet from the President's car. However, I could not see the President's car when the shots rang out. To the best of my knowledge there were three shots and they came from the direction of the railroad tracks near the parking lot at the west end of the Depository Building. I was alone when the shots were fired and I did not see Lee Harvey Oswald at that time.

"On the morning of 11-22-63 about forty-five minutes before the arrival of the President's Motorcade I met an elderly white man at the entrance of the building who asked me to direct him to a rest room. I helped this man up the steps of the Depository Building and showed him a public rest room. The man was very old and feeble and could hardly make it up the steps. About five minutes later I saw this man leave the building and enter an old Buick automobile with three elderly white women. The Buick then drove north on the service street in front of the Texas School Book Depository Building, made a right turn on Elm Street, and drove west through the underpass. I would describe this man as a white male, approximately 80 years old, white hair, and wearing a brown suit and light colored western-style hat. He had a thin build and was about five feet nine inches in height. I never saw this man before 11-22-63 and have never seen him since that day.

"After the President was shot I entered the Texas School Book Depository Building and we were questioned by some Dallas police officers. At about one o'clock in the afternoon

"At approximately 12:15 pm on November 22, 1963 I left the Texas School Book Depository building en route to a luncheon engagement in company with Roy S. Truly, Director of Warehouse Personnel at Texas School Book Depository. As Mr. Truly and myself left the building we observed throngs of people lining both sides of Elm Street and recalled the presidential motorcade was scheduled to pass by the building in a few minutes. Mr. Truly and I decided to view the motorcade and took up a position next to the curb on Elm street adjacent to the street signal light. I recall that at the time of the assassination of President John F. Kennedy, Texas School Book Depository employees, Mrs. Bonnie Richey, Mrs. Carolyn Arnold and Mrs. Jeraldean Reid were standing at my elbow and likewise witnessed the assassination.

"I recall that shortly after the car in which the President was riding passed the Texas School Book Depository building I heard shots being fired from a point which I thought was near the railroad tracks located over the viaduct on Elm Street. I definitely did not see Lee Harvey Oswald at that time and in fact had no occasion to look back at the Texas School Book Depository building as I thought the shots had come from the west. I have had occasion to view photographs of Lee Harvey Oswald and to the best of my recollection never saw him while he was employed by the Texas School Book Depository. Also, according to my recollection, I did not observe any strangers in the Texas School Book Depository building on the morning of November 22, 1963.

I was accompanied by Mrs. Roberta Parker and Mr. Lloyd Viles, both employees of McGraw-Hill and we took up a position along the parade route which I recall to be about fifteen feet west of the southwest corner of Elm and Houston Streets.

"I recall that moments after the car bearing President John F. Kennedy passed my position, I heard a loud report which I first thought to be a firecracker. Following the second shot, however, I then heard screaming and saw people running and I then believed the reports I had heard were gunfire. Although I was across the street from the Depository building and was looking in the direction of the building as the motorcade passed and following the shots, I did not look up at the building as I had thought the shots came from a westerly direction in the vicinity of the viaduct.

"I recall that, following the shooting, we crossed the street to the Depository building and stood in front of the building listening to radio reports coming over a motorcycle patrolman's police radio. I stayed in the vicinity of the Depository building until about 3:00 PM, and then we entered the building to get our coats and I immediately left the building and went home.

At this time I recall that William H. Shelley, who resides at 128 South Tatum, Dallas, and Mrs. Sarah Stanton, also of Dallas, Texas, both of whom are likewise employed by the Texas School Book Depository, were standing next to me.

"I recall that following the passing of the Presidential Motorcade, as the car in which the President was riding traveled down the Elm street extension, I heard several loud reports which I first thought to be firecrackers and which appeared to me to be in the direction of Elm Street viaduct just ahead of the Motorcade. I did not at any time believe the shots had come from the Texas School Book Depository building. I am acquainted with Lee Harvey Oswald as a fellow employee only and I recall that on the morning of November 22, 1963, I was on the sixth floor of the Texas School Book Depository putting down a new wooden floor when Oswald came over to me and asked where a certain book was stored. I don't recall name of book but told him that book was out of stock. That is the last time I saw Oswald prior to the assassination of President John F. Kennedy.

"At the time President John F. Kennedy was shot I was standing with Mr. Campbell in the street just in front of the building entrance. I heard three shots fired and moments later I accompanied a uniformed officer from the Dallas Police Dept. to the second floor of the building. This officer looked in the lunch room located in the back part of the building about 20 or 30 feet from the stairway. Just inside the lunch room door, Lee Harvey Oswald was standing facing the officer. I identified Oswald as an employee and the officer and I then proceeded on to the roof of the building. We made a quick examination of the roof area and then I returned to the first floor area and started to account for the location of each of my employees. I was not able to locate Oswald.
