

Dallas, Texas

September 5, 1975

I, T. LANETTE POSEY, being duly sworn, hereby make the following free and voluntary statement to Assistant Director HAROLD N. BASSETT and Special Agent in Charge of the Tampa Office FRANCIS M. MULLEN, JR.

Mr. BASSETT advised me of information coming to the Bureau's attention indicating the possibility that LEE HARVEY OSWALD had personally appeared at the Dallas Office sometime prior to the assassination of former President KENNEDY and at this time he left a note.

I entered on duty in the Bureau in Dallas, Texas, September 14, 1959, and resigned in April, 1962. I was reinstated in the Dallas Office on February 14, 1964, and was employed in Dallas until I was transferred to the San Francisco Office in March 1972 and remained there until my transfer back to Dallas in September, 1974.

During the period 1967 to 1969 I was assigned to assist Mrs. NAN FENNER in the Bureau applicant program, and as such worked in the same room with her. I recall on one occasion

in 1967 that Mrs. FENNER mentioned to me that LEE HARVEY OSWALD had personally come to the Dallas Office sometime prior to the assassination and left a note for Special Agent JAMES HOSTY. Mrs. FENNER did not indicate that she had read the note nor did she indicate to whom she furnished the note. Other than the above, I know nothing concerning the matter.

Sometime during the period of 1967 - 1969 Miss HELEN MAY, an employee of the Dallas Office, asked me whether Mrs. FENNER had mentioned to me that OSWALD had come to the Dallas Office prior to the assassination and left a note. I replied in the affirmative, and this was the extent of my conversation with Miss MAY.

Sometime later, perhaps in the Spring of 1970, my close friend, JANET SMITH, who is employed in the FBI having entered on duty in 1969, asked me if Mrs. FENNER ever related to me information to the effect that LEE HARVEY OSWALD came to the Dallas Office prior to the assassination and left a note for Special Agent HOSTY. Miss SMITH at the time she asked this question mentioned that Mrs. FENNER told her that OSWALD had visited the office and had left a note. I told Miss SMITH that Mrs. FENNER had in fact furnished this information to me, and this was the extent of the conversation.

Other than the above I have never discussed
this matter with anyone either in or out of the Bureau.

I did not advise any Dallas Office official of
this information inasmuch as I felt it had been handled and
I did not realize the significance of the information at that
time.
