Dallas, Texas

3:18 PM

Interview commenced in Room 429, Holiday Inn, South, Route 183, Irving, Texas

3:22 PM

Furnished FD-395 (Advice of Rights) form. Expressed concern at being shown form. Then read & signed form at 3:23 PM. Bassett then commenced interview. May stated "she did not see the note" When asked if there was a note again denied there was a note but thinks there was a rumor. Disclaims ever seeing a note. As for a rumor May heard that Oswald came to the office and thinks it was from ^{her} Mrs. Jenner. In November 1963 at time of assassination (11/22) May was working as a stenographer in office of Superior Howe and took dictation of agents in security section. On further reflection thought she may have been working for Superior Beffer. May believes Jenner told her that Oswald came to office and left a note. May thinks Jenner said the note contained a threat but not against the President. The threat may have been against the police department. May of impression that Oswald was mad. Does not believe Mr. Jenner mentioned that Oswald and note until after the assassination. When asked if she ever wondered why nothing ever came out
