DONALD C. STUART, 121 Pleasant Drive, Dallas, advised that he has been associated with ROBERT K. PATTERSON in the operation of Contract Electronics at 2533 Elm Street in Dallas, Texas.

Approximately four weeks ago, JACK RUBY accompanied by a younger man whose identity was unknown to STUART, came to the shop at 2533 Elm Street to discuss the possible revamping of the public address system at the Carousel Club, operated by RUBY. CHARLES ARNDT, one of STUART's employees, was present at the time. ROBERT PATTERSON also came into the shop while RUBY and his companion were there. RUBY told STUART and PATTERSON that he wanted to give them some passes to the Carousel Club. When he asked for STUART's name, the latter took out his driver's license and handed them to RUBY, who immediately wrote STUART's name in a small notebook, which he believes was approximately 5" by 4" and black in color. He is positive that RUBY did the writing in this notebook, inasmuch as it was done directly in front of him after he had handed his driver's license to RUBY. He noted that there were additional names written in this notebook with what appeared to be pass numbers beside them. He then gave STUART and PATTERSON temporary passes and told them that they would be issued a permanent pass. He has not yet received permanent passes.

While RUBY was in the shop he discussed an exercise device which he had in his automobile and had his younger companion go to the automobile to get the device which he demonstrated to them.

STUART examined a photo of LEE HARVEY OLSWALD and advised that he cannot be sure at this time whether or not OLSWALD is identical to the person who accompanied RUBY. He believes this person may have had thicker hair than OLSWALD. He further described this individual as a white male, age in his 20's, about 140 lbs., slight build, dark brown hair. He did not say much and stayed very close to RUBY. He believes RUBY introduced this man, he could recall the name. He also believes RUBY stated this man worked for him.

STUART stated that he has been told by PATTERSON that

RUBY returned later on the same date to have a microphone repaired but he was not present on this occasion. He stated he did not have in his possession at the shop any type of a receipt which would show the date of the microphone repair. However, there is a possibility he may be able to locate some type of a record at his home which would provide this date. He will make an immediate check and in the event such a record can be located, he will notify the FBI Office.
