MR. ROSEN -

MR. BULLIYAN

I called Mr. James J. Powley, Chief of the fecret Service, to offer our assistance. I advised hir. Howley that our Dallas Office was already in contact with the Secret Service in Dallas and that we would render every possible assistance.

I mentioned that one of the fecret Ferrice agents reportedly had been killed, and he stated he did not know this. I told him I had asked the name of the Secret Service Agent killed but it was not known.

I told Mr. Rowley that apparently the shooting came from the fourth floor of a building and shells had been found in the building; that these were Winchester shells - apparently a Winchester rifle was med; and that the building was surrounded.

his. Rowley stated he was also thinking of subversive elements - Mexico and Cuba. I then mentioned the Klan element. I am advised Mr. Rowley that one witness stated he saw a Negro man loan out a window but laier this was not confirmed and they do not know whether it was a white or a black.

-I told hir. Rowley the Furence would render every assistance. Min Rowley indicated our assistance would be welcome and franked mg. IEC 38 62 - 10981-0. Very truly yours,
