Dear Mrs. Riccobono:

I have received your letter of November 24th regarding the assassination of President Kennedy and can understand the concern prompting your statements.

Although the primary responsibility for the safety of the President and his family is the duty of the Secret Service, the FBI has made all of its facilities available to that agency and the local authorities. In addition, the President has instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

Sincerely yours,

J. Edgar Hoover
