At 8:15 p.m. SAC Shanklin advised that one Jellff Edwards, Director of Special Events, KIJ radio, Los Angeles, said it was reported over mutual news service in New York and Washington that Sergei Flegers from Vienna stated he has definite evidence that this was a Communist plot to kill President Kennedy. Edwards asked Shanklin for comments. Shanklin told him we are continuing our investigation.

Mr. DeLoach contacted Bob Hurley, President of Mutual Broadcasting, to run this down. Hurley called DeLoach back to say he had talked to his Paris office and Flegers is a reputable Mutual reporter in Paris. Flegers was quoting Viennese Intelligence sources to the effect that Oswald attended a subversive school in the Soviet Union but was a member of a dissident Stalinist group. Flegers ended up his broadcast by saying it was his personal belief that this was the "work of a demented person."

Mr. Hurley is having a tape of the program and the information on which the broadcast was based flown in and will turn it in to us tomorrow. We will examine it at that time.
