Dear Mr. Eggleston:

Unfortunately your telegram of November 22, 1963, indicates unfamiliarity with our jurisdiction.

At this time in the Nation's bereavement, I am disturbed by your unfounded accusation of negligence and feel it necessary to inform you that the protection of the President and his immediate family is the responsibility of the Secret Service of the United States Treasury Department and not the FBI. Secret Service Agents were with the President at the time he was assassinated.

REC'D-READING ROOM

The President has now instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.
