Mr. J. Edgar Hoover, Director
Fed. Bureau of Investigation
Washington 25, D.C.

Dear Mr. Hoover:

I know that you are a very busy person in this time of the great American tragedy. If at all possible I would like to know the answer to these questions.

In Dallas, along with the assassination of the president, a Dallas policeman as well as a secret service man was killed. I got this information from a newspaper clipping which I am enclosing. If this information is false please inform me of such. If not, why wasn't the secret service agent given any publicity? Didn't he die giving service to his country? A lot of publicity was given to the policeman and his family. Wasn't the agent's in connection with the assassination?

I will appreciate any information that you can give me.

Sincerely yours,

Jayne Woodyard
