READING ROOM

Dear Mr. Roark:

Your letter postmarked December 3rd has been received, and I appreciate your giving me the benefit of your observations.

President Johnson instructed the FBI to conduct a complete investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. All of our resources were used to consider every possible ramification of this matter. The report containing the results of our investigation is based entirely on facts and laboratory examinations and not on speculation. Pursuant to the instructions of President Johnson, our report has been forwarded to the Attorney General and to the Presidential Commission.

The FBI has not made its report public inasmuch as the Presidential Commission has been charged with the responsibility to study all available information and make a finding in these matters.

Sincerely yours,

J. Edgar Hoover
