ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS

On November 27, 1963, an individual advised the San Antonio Office of the FBI that information was received that an unknown male in Montreal, Canada, telephonically requested the names of the residents at 216 Thomas Jefferson Drive, San Antonio, Texas. The unknown male was told this information was not available. The unknown male, who apparently spoke French but very little English, informed that he had received an anonymous letter dated November 27, 1963, from someone at 216 Thomas Jefferson Drive and that whoever had written the letter stated that it was a woman writing, that she had some information concerning the assassination of President KENNEDY and some information about "RUBIO" or "RUBY" and that she needed to leave the United States as soon as possible to go to Germany.

The residents of 216 Thomas Jefferson Drive were contacted and furnished the following information:

Mrs. DOROTHY S. BAKER advised that she had been living at that address since 1941 with her family. At the present time her daughter, Mrs. MARILEE SCHOONDERGANG, and her husband, JOHANNES SCHOONDERGANG. She emphatically denied sending the letter or knowing anything about it and she could recall knowing no one in Canada and knows of no one in Germany or anyone who would wish to go there.

Mrs. BAKER further stated that she cannot recall having heard the name RUBY and knows no one by that name. Mrs. MARILEE SCHOONDERGANG advised that she lives at 216 Thomas Jefferson Drive with her mother, Mrs. DOROTHY S. BAKER and her husband, JOHANNES. Her husband has two cousins presently living in Canada, JAN and GERARD LEDDERHOF. She believes that HENK LEDDERHOF, brother of JAN and GERARD is presently visiting them in Canada. To the best of her knowledge, the LEDDERHOF brothers live in Quebec, Canada.

HENK, who is originally from Holland, worked for several years in New Guinea and when New Guinea received its independence, he lost his business. She stated that HENK blamed the Communists in New Guinea for his lost business and for that reason seems to be very anti-Communist. HENK is presently in the United States and Canada due to a visa he received sometime in October.

She denied any knowledge of a letter sent to Canada bearing any information concerning the assassination of President KENNEDY or information concerning RUBY and knows of no one who wants to leave the United States to go to Germany.

JOHANNES SCHOONDERGANG stated that he knows of no one who would write to Canada giving any information concerning the assassination of President KENNEDY or of information concerning RUBY. He stated he has two cousins in Canada, GERARD and JAN LEDDERHOF. JAN lives in Toronto and GERARD lives in Quebec. He stated that JAN is an engineer and works on the First Canadian Missile but does not know if he works for the Government or private industry.

He stated his cousin, HENK LEDDERHOF, is touring the United States and Canada on a six-month visa which he obtained early in October. He stated HENK is very anti-

Communist due to the fact that he holds them responsible for his lost business in New Guinea, and that he liked the United States very much when he visited San Antonio in the latter part of October and that he went to the Immigration authorities in San Antonio to see what the Dutch quota for this country was.
