Dear Mr. Lee

In regards to my efforts
to start a branch in
New Orleans.

I rented an office as I
planned and was promptly closed
three days later for some obscure
reasons by the sisters. They
said something about remodeling
etc. In short you understood
after that I worked out of
a post office box and by
using street demonstrations and
some circular work have sustained
a great deal of interest but
no new members.

Through the efforts of some
carbon-copy "queens" a street
demonstration was attacked and
we were officially cautioned by
police.

This incident satisfied me of
what support I had leaving
me alone.

Nevertheless, thousands
of circulars were distributed and
many, many pamphlets which
your office supplied.

We also managed to pick
the fleet when it came in
and I was surprised at the
number of officers who were
interested in our literature.

I continue to receive through
my post office a lot of inquiries
and questions which I shall
 endeavor to keep answering
to the best of my ability.

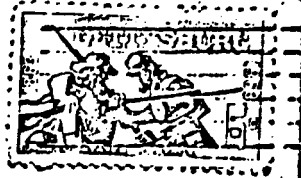

Thank you.
