ATHENS - GRECE

Athens December 9, 1963

Mr. J. Edgar Hoover  
Director, Federal Bureau of  
Investigations  
Washington, D.C.

Dear Mr. Hoover,

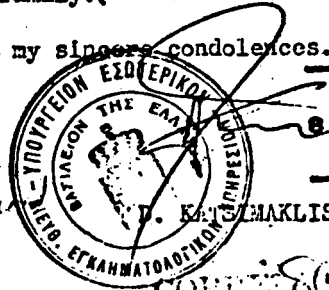

As you may know I am not a politician but firaly believe in the saying of Divine Plato " We know of no man who may have been spotless in politics " ( οὐδένο ἡμεῖς ἴσμεν ἄνδρα ἀγαθόν γεγονότα τῷ πολιτικῷ ) ,however, the sorrow which my family, I and the Greek People felt over the murder of your late President is beyond description.

Your unforgettable President was not only a dear person to us, he was a beloved person to us all, hence we mourn him like a member of our own family.

Please, Sir, accept my sincere condolences.
