**ASSASSINATION OF  
PRESIDENT JOHN F. KENNEDY  
11-22-63, DALLAS, TEXAS**

Identification Division in receipt of criminal prints from the Chicago Police Department under Number 53712 on Lloyd J. Wilson described as WMA, 5'8", 160 pounds, brown hair, blue eyes, date of birth 8/16/45 at California. He gave his occupation as a machinist and his address as San Francisco, California. Fingerprints indicate Wilson taken into protective custody on 12/19/63 because he indicated he paid Lee Harvey Oswald \$1,000 to assassinate President Kennedy. Identification Division files do not reflect any previous arrest records, however military print identical with Wilson located. Military print shows that Wilson enlisted at Spokane, Washington, 10/31/63 and was assigned Airforce serial number 1977725L. It would thus appear subject is currently in the military service. Bureau Fugitive indices fail to indicate that Bureau assistance was requested to locate the subject as a deserter.

For your information the Chicago Police Department and the State's Attorney's Office, Chicago, are being advised separately of the subject's identification record.

In view of the importance of this matter and the possibility Wilson is still in military service and may be AWOL, appropriate inquiry should be instituted by Chicago and the results thereof promptly submitted to the Bureau and Dallas in a form suitable for dissemination.
