Honorable James C. Corman
House of Representatives
Washington, D. C. 20518

My dear Congressman:

I have read your letter of January 2nd, addressed to Inspector Kemper, enclosing a communication you received from Mrs. Edna Curtis of Canoga Park, California.

It was indeed thoughtful of you to bring this data to our attention and you may be assured this information will be made a matter of record in the files of this Bureau.

Sincerely yours,

J. Edgar Hoover

NOTE: We have enjoyed cordial relations with Congressman Corman. Mrs. Edna Curtis is not identifiable in Bufiles. She relates her meeting with a member of the John Birch Society prior to the assassination of President Kennedy. Based on some of his political implications to the effect that Kennedy will not be re-elected she correlates the meeting with this unnamed "Bircher" as part of the conspiracy to assassinate the late President. Due to the apparent emotional hysteria and lack of facts in her information, no further action is deemed necessary.
