TO : Mr. Evans *900*

DATE: 1/27/64

FROM : W. V. Cleveland *WV*

SUBJECT: ~~X~~  
 EDWARD DAVEY  
 1052 Flatbush Avenue  
 Brooklyn, New York  
 MISCELLANEOUS  
 INFORMATION CONCERNING

*J. M. [Signature]*

At 6:40 p.m., 1/26/64, captioned person called SA D. H. Young. He was obviously intoxicated. He was indignant because he said he had just called the New York Office and the person to whom he spoke would not give his name. He said he would not give his name (Davey's) to the person either. He then became uncertain as to whether the FBI was the agency he called. He would not give SA Young the purpose of his purported call to the New York Office. He said he would call the Office back, as there could have been a mix-up of some kind.

SA Young called Supervisor W. C. Martin in New York, who advised no such call had been received by him or anybody else on duty in the Office tonight. Martin later called back at 7:05 p.m. to advise that Davey had just called him and had no specific information. He wanted to talk about the assassination of President Kennedy and was apparently drunk.

ACTION: *(Jelir F.)*

File. Bufiles contain nothing identifiable re Davey.
