POST OFFICE BOX 964

Enclosed herewith to the Bureau is a copy of the translation of a letter received through the American Embassy, Taipei, 12/10/63, written by a resident of Taipei, Taiwan, to the Federal Bureau of Investigation which contains observations of the writer concerning the assassination of President Kennedy.

Although the letter is rambling and non-specific, it appears to have been written by an intelligent well-intentioned person. It is suggested the Bureau prepare a courteous letter of acknowledgment.

John F Kennedy
