To Mr. J. Edgar Hoover Director of the FBI Washington, U. S. A.

Dear Sir:

A few days ago, the passing away of dear President Kennedy still preying on my mind, I had a dream which I decided to let you know about for whatever purpose it may serve.

In this dream, President Kennedy appeared to me and said that his assassin was still in Dallas. He said his name is <u>Fritz Kalermann</u>. Finally, he added that this individual is connected with a Nazi organization.

With best regards, I remain
