knowledge, which was sent to the FBI

Exhibit III

(Does not recall date)

M. Hoover

Excusing my delay, I would wish to you and your G-men a very happy new year, to the end that American justice can cut every shape of transgression, at last that there is for a great many years in the American country.

I'd like to know how I could enter in the FBI corporation.

Signature

N.B.) I'm not an insane man, but I know who (or else: the man) has shot John F. Kennedy.
