SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY  
REQUEST OF THE PRESIDENT'S COMMISSION

This morning Special Agent (SA) Lyndal L. Shaneyfelt received a telephone request from Secret Service Agent John Hawlett who has been participating in the review of assassination films with Bureau representatives at The Commission. Mr. Hawlett asked whether or not the FBI could furnish him a copy of the Nix film since he had requested a copy of the film from Mr. Nix and found Mr. Nix's copy is very poor and would not render as good a copy as one we could furnish.

Since the Secret Service has been extremely cooperative in connection with other matters in this investigation and did furnish the Bureau with copies of the Zapruder film of the assassination, we will make a copy of the Nix film for Agent Hawlett, if you agree.

**RECOMMENDATION:** That a copy of the Nix film be prepared and furnished to Secret Service Agent John Hawlett.
